Sauna Room Serial Numbers

Section 5: Reflection 3 and 4 Luxury Traditional Saunas

The Reflection sauna rooms have the serial number label located on the inside of the decorative cover that conceals the electrical contactor box. Remove the cover to see the label.

Optional floor will include a “Dealer-Applied” serial number label near the front-left corner, under the duck board. All serial numbers begin with 1558 followed by a 4-digit sequence number.
